

# Casa Brava

5,918 m<sup>2</sup> - Sayulita

## Property Description

A stunning, modern vacation home located in one of the premier locations of Sayulita, perched on a hill in a magnificent tropical setting. Walk to fantastic restaurants, shopping, surfing or just sit at cafes for people watching. Yet the home is just far enough away and totally private to still offer 360 degree views of the Pacific Ocean, unspoiled jungle, and the quaint village of Sayulita. This 4 bed / 4 bath home was designed by a well known Mexican architect in true contemporary style using concrete and entire walls of glass with wonderful inside/outside living areas. Every individual detail was carefully chosen to compliment and enhance the unique and comfortable design. Great rental income history. Can be rented as 3 separate units.
